

Privacy Policy

Overview

AegisLore respects your privacy and is committed to protecting your personal information.

This Privacy Policy explains what information we collect, how we use it, and the choices available to users.

Information We Collect

Account Information

When you create an account, we may collect:

- Name
- Email address
- Profile image provided by your authentication provider

Authentication Information

Authentication is provided through supported sign-in providers. We receive only the information necessary to authenticate and identify your account.

Platform Data

When using AegisLore features, we may collect:

- Digital Health Check responses
- Scam Check submissions
- Security preferences and settings
- Usage information necessary for platform functionality

Technical Information

We may collect basic technical information required to operate and secure the platform, including session and authentication data.

How We Use Information

We use collected information to:

- Create and manage user accounts
- Authenticate users
- Generate Digital Health Scores
- Provide Scam Check results
- Improve platform functionality

- Maintain platform security
- Respond to support requests

How We Store Information

Information is stored using industry-standard technologies and security practices appropriate for a modern web application.

While reasonable measures are taken to protect information, no method of electronic storage or transmission can be guaranteed to be completely secure.

Data Sharing

AegisLore does not sell personal information.

Information may be shared only when necessary to:

- Operate platform functionality
- Comply with legal obligations
- Protect platform security
- Enforce our Terms of Service

Data Retention

Information is retained only as long as reasonably necessary to provide platform functionality, maintain account records, comply with legal obligations, and improve services.

Your Rights

Depending on your jurisdiction, you may have rights regarding:

- Accessing your data
- Correcting your data
- Requesting deletion of your data
- Requesting information about data processing

To exercise these rights, contact us using the contact information provided on the platform.

Children

AegisLore is not intended for children under the minimum age required by applicable law.

Changes to This Policy

This Privacy Policy may be updated periodically.

Continued use of AegisLore after updates constitutes acceptance of the revised policy.

Contact

For privacy-related questions, users may contact AegisLore through the contact information provided on the platform.
