

Terms of Service

Acceptance of Terms

By accessing or using AegisLore, you agree to be bound by these Terms of Service.

If you do not agree with these terms, you should not use the platform.

Description of Service

AegisLore provides cybersecurity education, digital health assessments, scam-awareness tools, and related informational services.

The platform is intended to help users better understand cybersecurity concepts and security practices.

No Security Guarantee

AegisLore is an informational platform.

We do not guarantee:

- Protection from cyberattacks
- Detection of all threats
- Prevention of scams
- Accuracy of every risk assessment
- Complete online safety

Users remain responsible for their own security decisions and actions.

User Responsibilities

Users agree to:

- Provide accurate information when using the platform
- Maintain the security of their account
- Use the platform lawfully
- Refrain from abusing, disrupting, or attempting to compromise platform systems

Prohibited Uses

Users may not:

- Attempt unauthorized access to systems or accounts
- Interfere with platform operations
- Use the platform for unlawful purposes
- Reverse engineer or exploit platform services in violation of applicable law

Intellectual Property

All platform content, branding, design elements, software, and materials provided through AegisLore remain the property of AegisLore unless otherwise stated.

Users may not reproduce, distribute, or commercialize platform content without permission.

Third-Party Services

AegisLore may rely on third-party providers for authentication, hosting, analytics, or infrastructure services.

We are not responsible for the availability, content, or practices of third-party services.

Limitation of Liability

To the maximum extent permitted by law, AegisLore shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from the use of the platform.

Use of the platform is at the user's own risk.

Termination

We reserve the right to suspend or terminate access to the platform for violations of these Terms or to protect platform security and integrity.

Changes to the Terms

These Terms may be updated periodically.

Continued use of AegisLore after updates constitutes acceptance of the revised Terms.
